Our Girls Can!

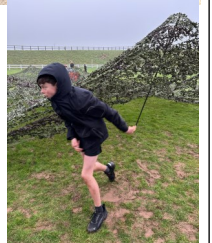

On Wednesday last week, Miss McNamee accompanied our Year 6 girls to an event with girls from other local primaries at the Showground. They spent the day in teams undertaking a number of different challenges and activities. Well done to them all for embracing the day and making the most of the opportunities to start making friends ahead of their transition to Wadebridge School.

A special congratulations to Myla for winning a medal in the archery competition!

Boys Active!

On Wednesday this week, it was the turn of the boys, from Years 5 & 6, to spend a day at the Showground participating in different activities and sports. Another great opportunity to try out new challenges within groups of their peers from other local schools.

Trim Trail open!

We are so excited to announce the opening of our new Trim Trail. Thank you so much to the hard work of our PTFA in raising the funds required for this fantastic new facility. The children love playing on it every break time and lunch time. We will have Grand Opening photo shoot pictures for you next week, but in the meantime—here are some of our Nursery pupils testing it out:
