

# Little Egret Spring 2023 Term Four

## Superheroes!

### Geography:

#### Locational Knowledge

We will learn about the world's seven continents and five oceans.

### Design and Technology:

We will be exploring how to use and make levers and sliders.

### PE:

#### Dance - Superheroes

We will work on developing our ability to create and develop their characters, adding movements, expression and emotion to their performance.

#### Ball Skills

We will apply our understanding of underarm and overarm throwing to beat their opponents.

### English:

Non Fiction—Diary, Letter Writing

Fiction—Stories with familiar settings.

### Science: Plants

We will observe how plants grow. We will learn about the different parts of a plant and their uses, the different types of plants and what plants we see in our local area.

### Computing:

We will be learning about how we can use algorithms to move robots and create a sequence.

### PSHE:

#### Keeping myself safe

We will be learning about how to keep ourselves safe and healthy. We will also look at who can help us and how we can help ourselves.

### Outdoor Learning:

We will be exploring our various art techniques, using nature as inspiration.

We will use the outdoors to bring our stories to life.

### History:

Events beyond living memory that are significant nationally or globally.

We will learn about the first aeroplane flight and the first person on the moon 'Neil Armstrong'.

### RE:

We will continue to look at the question **Who is Muslim and How do they live?** We will then go on to explore why does Easter matter to Christians.

### Art:

We will be exploring drawing techniques using Giuseppe Arcimboldo and Paul Cezanne as inspiration.

### Music:

We will explore 'How does Music teach you about your past?' This will focus on dynamics and tempo.
