

The Mental Health Support Team invites you to book your place on our Behaviour as Communication Workshop

This workshop introduces the concept of behaviour as communication, and aims to teach parents the reinforcement and attention rule.

The workshop will give parents practical strategies for developing more positive behaviour at home. It will also support parents to create an action plan moving forward to support their child to manage their behaviour in helpful and happier ways.

Please note: This group is open to parents of children aged from Year 1 to Year 6
