## Year 4 outdoor adventure day

Our Year 4 pupils were lucky enough to go to an outdoor adventure site in Penryn yesterday. The group had a busy day, taking part in activities such as archery, climbing (on a huge indoor climbing wall) and team-building puzzle-solving on a low

ropes course. Many of the children were new to these activities, yet they all approached them with enthusiasm. It was lovely to see their confidence grow as they learnt. The behaviour of the group was impeccable and Miss Webster was very proud of them all.

## DT day for Oystercatcher & Cormorant classes

On Tuesday this week, Oystercatcher and Cormorant classes had a whole day of DT lessons: linked to their topic of Ancient Civilisations, they designed and created woven fabric and made and ate Egyptian flatbreads! This hands-on learning really helps the children to understand aspects of living in a civilization that is so removed from us today.

## Thursday 9th February: Wear RED for Cornwall Air Ambulance

Cornwall Air Ambulance are a local charity that make an important contribution within our area, helping to save lives every day. We would like to show our support of this charity by joining in with their 'Wear RED' campaign this year. On **Thursday 9th February**—which is the last day of the half term—children and staff can come to school in red clothing if they wish, and parents may make a donation to Cornwall Air Ambulance on [parentpay.com](https://www.parentpay.com). The donations are voluntary of course, and there is no obligation to donate for your child to dress up. The day will include a discussion about the charity's work in assembly. Please ensure that children still bring their warm winter coats and wear shoes that are suitable for running around at playtime. Thank you.

## World Wide Web learning

This week Little Egret class discovered Tim Berners-Lee and learnt a little about the life and discoveries of the computer scientist regarded as the creator of the World Wide Web.

The class made their own web to understand about making connections with others.
